Risks - Climbing and abseiling are activities which involves risk of serious harm or loss of life, particularly resulting from falling from height. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement. Clients should be aware that the operator cannot guarantee your safety.

- You must bring somebody to belay (somebody to hold the safety rope) who is over 13 years of age.
- If you have never used our tower before you will need to complete a waiver
- Anyone under the age of 16 must have their waiver/registration completed by a parent or legal guardian aged 18+
- All climbers under 16 years old need to be signed in by an adult. A safety induction with our instructors must be completed before climbing/belaying.
- For climbers aged 12 years and under, parents must stay onsite for the duration of the child's visit.
- For climbers aged 13-15 years of age, parents must stay onsite until the child is deemed competent to climb.
- While climbing, all long hair must be tied up.
- Please bring covered shoes (or hire our climbing shoes) and wear comfortable trousers or shorts to climb in. Climbing barefoot is not allowed
- If hiring climbing shoes, you must bring socks to wear.
- Belayers must be at least 14 years of age and pass the belay skills test to receive approval to belay
- Never climb above or walk beneath another climber.
- Boulderers must keep their hands and feet below the red line.
- Holds may spin or break. Please inform a staff member if this happens.
- Please remove any rings or loose jewellery before climbing.
